FOR IMMEDIATE RELEASE

## **Crestview and Lexington Schools to Share Treasurer**

The Crestview and Lexington Boards of Education have approved a Shared Services Agreement which will enable Tina Bennett, current Treasurer for the Crestview Local Schools to also serve as Treasurer of the Lexington Local Schools while continuing as Treasurer at Crestview. The two districts will share the associated costs.

Both Boards of Education believe one of their top priorities is being fiscally responsible and being willing to look at new and different ways of doing business. This arrangement provides a significant financial savings for both districts while continuing to provide the same excellent fiscal leadership both districts have come to expect.

Mike Ziegelhofer, Lexington Superintendent and Bill Seder, Crestview Superintendent both agreed, "Crestview and Lexington are always looking for ways to be more efficient, reduce costs and continue to strive for excellence in all we do. Exploring new and different ways of doing business, be it combining Administrative positions as Lexington recently did or sharing services with another district, is necessary if we are to be fiscally responsible to our taxpayers while maximizing our limited resources."
